Emily Perry Honored

Mattapoisett friends of Emily Perry, over 200 of them, packed both decks of the Harbor Beach Club Friday night to surprise her in a retirement party. Miss Perry was honored for the truly wonderful job that she has done for the Town over the past nine years. The party was a surprise to Miss Perry who thought a small gathering of Town Hall friends would be present and never dreamed that a great cross section of the town were gathered in her honor.

Chairman David N. Haley of Mattapoisett's Board of Selectmen acted as master of ceremonies in a good humored "roasting" of Emily for her busy and eventful life both in the Town Hall and out. In the photos Page 8 left Mr. Haley is pointing out the Perrys in the gathering. Lower left, Selectmen David Haley, Donald Linhares and John Field are gathered around Miss Perry. Top right Miss Perry is flanked by Selectmen Haley and Field and the two lower photos show a small segment of the huge gathering that filled both floors of the Harbor Beach Club.

The party was planned by Lois Ennis, Carol Philla and Janet Kennedy, fellow workers at the Town Hall. Entertainment was provided by the "Wanderers", led by Mrs. Lee Root. Miss Perry organized this group when it was started and she left her place at the head table to lead them once again in a selection. A beautiful centerpiece turned out to be a money tree made of sand dollars and folded United States banknotes, a gift from all those present. The town employees also gave Miss Perry a silver plate suitably engraved to commemorate the occasion. Selectman Haley presented a bottle of good spirits and Mr. and Mrs. Frank Linhares presented a gift of glassware.

Roast turkey was served for the banquet. Following the meal, all the Selectmen spoke briefly. Father Raphael spoke of Miss Perry's contributions to the Catholic Church and Mrs. John Field reminisced about their

SELECTMEN OPPOSE SRPEDD CONTROL

Mattapoisett Selectmen have strongly urged that the Southeast Regional Planning and Development District cease work on the Housing Work Program.

The Selectmen received a letter from John L. Waterman, chairman of SRPEDD, asking for "support" for this program. In reply they pointed out that 2/3 of the commission members voted to table the Housing Work Program by vote of 24 yes and 12 no. They stated, "It was only through questionable manipulation of the rules of order that your vote thwarted this action."

They continued, "As a small town, one of about twenty-five in the southeast region, we feel that we are the prime target of this plan to have the SRPEDD staff determine the amount and type of housing that shall be con-

"The intent of the SRPEDD staff to exercise such control and enforcement measures is clearly evident in numerous statements throughout the Housing Work Program: 'integration of housing efforts with regional and local comprehensive planning...aiding in the development of housing by public and private housing...housing is a regional problem...SRPEDD has attempted to reform local zoning...assigning to each municipality an appropriate proportion of the total number of subsidized units needed within the region...work with DCA to arrive at a reasonable allocation of housing targets.....'

"The statement on page 6 of the Housing Work Program leaves little or no doubt as to the intention of the SRPEDD staff:

The first impression of many of our Town's guests is formed upon their arrival at the Mattapoisett Town Wharf.

I will do my best to make the Town Wharf a convenient, hospitable, clean and pleasant place to dock.

plementation will be directed toward achieving federal, state, and local commitments. The agency will actively negotiate with federal and state funding agencies to withhold their monies from communities which have been allocated targets, who by various zoning ploys, open refusal, or other means, attempt to discourage or prohibit the construction of low and moderate-income housing."

The Board of Selectmen of the Town of Mattapoisett is basically opposed to any program which usurps the rights of the townspeople. And, additionally, the Board is most opposed to such plans which will contribute to a serious financial crisis for the Town. Education and services for each low cost

house built in the Town must be subsidized by the taxpayers to the tune of nearly \$2,000. each. Such a financial burden must be corrected through external assistance prior to towns being required to accept greater tax burden than they are financially able to support. We could not, under any circumstances, support a program which would steer the Town toward financial disaster."

URGE GOVERNOR TO SIGN BILL 815

A letter to Governor Sargent from Mattapoisett Selectmen asked that the Governor sign House Bill 815 which authorized the Old Colony Regional Vocational Technical High School District to borrow money for school purposes. The Board of Selectmen noted that both branches of the Legislature had enacted the legislation. Noting the importance of the vocational school to Acushnet, Carver, Mattapoisett and Rochester the Selectmen requested the governor to sign the bill as soon as possible so that planning and construction can proceed as soon as possible.

Mattapoisett's share is \$776,915.75 for January 1, 1973 and terminating December 31, 1973. The town's share for the period commencing January 1, 1973 and terminating June 30, 1974 is \$1,317,571.72.

Taxpayers and Voters I ask your support.

- Being a member of the Water Pollution Abatement Committee since its inception, I will be bringing valuable knowledge to the Board of Health.
- I am definitely not for construction of a town sewer at this time. As a taxpayer, I think we need some time to breathe before increasing our tax burden.
- There are areas of Mattapoisett that should have town water before any major sewer project is undertaken.
- I would like to institute on site inspections of building lots before accepting septic designs for any designated areas.
- A more through percolation test should be instituted for problem areas.
- Being self employed, I will be available often to deal with problems.
- I would see to it that all available medical programs are secured for the towns-people, mainly our senior citizens whom we should never forget.
- I am not sponsored by any special interest group or groups in any way.
- I have over 13 years practical experience in the proper installation of septic systems.
- Property Owner - Taxpayer - Concerned.
- I will not claim or imply to be anything that I am not.

Section 81T Whoever practices or offers to practice engineering or land surveying in the commonwealth without being registered in accordance with the provisions of this chapter, or presents or attempts to use as his own the certificate of registration or the seal of another, or gives any false or forged evidence of any kind to the board or to any member thereof in obtaining a certificate of registration, or falsely impersonates any registrant, or attempts to use an expired or revoked certificate of registration, or violates any of the provisions of sections eighty-one D to eighty-one S, inclusive, shall be punished by a fine of not less than one hundred nor more than five hundred dollars or by imprisonment in a jail or house of correction for a period not exceeding three months, or both.

NATIONAL GUARD IN EMERGENCY

Mattapoisett Selectmen and Mr. George Hall, executive secretary of the Board of Selectmen, attended an all day seminar held by the National Guard to outline steps to be taken to enlist National Guard help in a possible emergency. The guard stands ready to provide help to the cities and towns on the request of the Governor in the event of riot or natural emergency such as hurricane, etc. The town may be required to pay the cost of such help.

LEGAL POINT DEFINED

Town Counsel Leonard Perry researched the town responsibility as regards fencing of ponds or ditches on private property on request by the Board of Selectmen. He found that, according to Chapter 84, Section 27 of the General Laws of Massachusetts, the town may require a fence or barrier on a hazard that abuts a public way (such as a ditch beside a town road). In cases where the hazard does not abut a public way but is located on private property the town does not have authority.

You're most cordially invited to them all absolutely free of charge.

The limited number of tickets are going like hotcakes (or, should we say pizzas), and table reservations for groups of 8 or 10 people are being "gobbled up". Mrs. Kjeld Jensen reminds everyone to buy their tickets (and they're not that expensive) now. They are available from her or from Mrs. William Hall, Mrs. Paul Zagame or other members of the Woman's Club.

The cuisine from Mike's Italian Restaurant; the imported wines and the music by a strolling accordionist will have you convinced you're in the land of Leonardo Da Vinci and Michelangelo, to say nothing of Sophia Loren.

SIPPICAN POMONA OBSERVES ANNIVERSARY

One hundred fifty Grangers met in Fairhaven Grange Hall to witness the observation of Sippican Pomona's Golden Anniversary. Worthy Pomona Master Manuel Roderick, Jr. closed the Grange at the end of the afternoon business session to provide the evening session as an "open meeting".

During the evening session Louise Westgate, first Pomona Lecturer, recited the recent past decade of Sippican Pomona's history with past masters and lecturers assisting her. The past lecturers pinned yellow boutonnieres on their respective masters, namely: June Westgate, Clayton Westgate, Irene Jefferson, Frank Jefferson, Jr., Audrey Ouellette, Paul Ouellette, Mary Ouellette, Robert Ouellette, Susan LaFleur, Herbert LaFleur, Jr. Dorothy Wilson was the last lecturer of this decade. Coincidentally the first and last lecturers of this Pomona are members of West Wareham Grange. Past lecturer Mildred LeBaron presented Louise Westgate and the present lecturer, Maria

The worthy master and worthy lecturer joined the past masters and past lecturers at the altar as the remaining past officers flanked both sides. They were Andrew McGregor, Gilbert Collins, Charles Westgate, George Sousa, Jethro Ashley, Jr. and Past Lecturer Edna Borden. Past Pomona Master Charles Westgate ignited the single golden candle in loving ceremony for the deceased past masters. Past Pomona Lecturer Edna Borden ignited a single golden candle for the deceased past lecturers as the roll was read by the worthy lecturer, Alice Tripp. The only Past Pomona Chaplain living read the prayers of the evening.

Four rounded anniversary cakes made by Mary Figueiredo, master of Dartmouth Grange, were placed about a flowing fountain effect with lights playing upon it, having been mechanized by the worthy Pomona master.

Following the ceremonies, Robert Barrows, steward of the State Grange, was the speaker for the evening. He gave an exceptional address - What the Grange actually is and how its members grow in wisdom and become involved citizens.

Tobey Hospital Ball

COCKTAIL PARTY TO PRECEDE BALL

The Tobey Hospital Ball committee has announced the name of the second annual Tobey Ball to be held under the joint sponsorship of the Tobey Hospital Employees' Association and the Tobey Hospital Guild. Because the setting is the Massachusetts Maritime Academy, it was felt appropriate to name the event the Port 'N' Starboard Ball. This lovely affair will be the highlight of the social season of the upper Cape.

Preceding the ball, a cocktail party beginning at 7:30 P.M. and continuing until the dancing begins at 9:00 will take place in the lounge area adjacent to the ballroom which has a beautiful vista of the Cape Cod Canal and the bridges. Hors

Jr. Grange Anniversary

Mattapoisett Junior Grange #43 celebrated its 38th anniversary with Junior Master Lauren Horne conducting a candlelight ceremony around the altar. Honored guest was the first master of the Junior Grange, Clifford I. Tripp, Jr. who lit the red candle for all past masters. First matron Carrie Sylvia was unable to attend but sent very nice greetings to all, plus a brief history of the organization of the Juniors, stating it was the first Junior to be within the jurisdiction of Sippican Pomona (it was called Juvenile at that time). Mrs. Ollie Gifford, present matron, read the messages and honored all past matrons by lighting the

gold candle in the absence of Mrs. Sylvia. Mrs. Gifford also read an original poem she had written for this special occasion. Lecturer Marybeth Breton and Chaplain Tracy Horne lit candles of hope and faith. Mrs. Dorothy Wilson sang "One Little Candle", accompanied by Fred Wilson at the piano. As the assistants returned the participants to their seats, all joined in singing "God Bless America". Just before the lecturer served the cake she had made and decorated, Mrs. Patricia Wetmore, past matron of Fairhaven Junior Grange, sang "May the Good Lord Bless and Keep You". State Junior Deputy Phyllis Alcobia, Frederick Wilson, Pomona representative; and Alan Wetmore, master of Fairhaven Junior Grange, extended greetings.

IN-HOUSE GET-TOGETHER

A one-act, mini-theatre presentation entitled, appropriately, "Cupid", will initiate the proceedings, while the visit will be climaxed by a spectacular gymnastics demonstration in the gymnasium.

Refreshments, prepared by girls in the home economics classes, will be served throughout the evening by hostesses and hosts of the junior high student affairs committee.

to attend and participate.

Niches in the lobby this month will be decorated by Mrs. Henry P. Carrier with "bird scenes". Window arrangements will be so that one may look out and watch the birds feeding in hanging or ground feeders. The other niche will show a wild scene with owl, bluejay and shrike.

The lobby is open to visitors from 9:00 A.M. to 5:00 P.M., weekdays, and is a quiet place to rest after a shopping trip in town.
